We have audited the accompanying financial statements of Pocono Farms East Association, Inc, which comprise the balance sheet as of December 31, 2012, and the related statements of revenues and expenses, changes in fund equity and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Pocono Farms East Association, Inc as of December 31, 2012, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Other Matter

Management has omitted information about future major repairs and replacements that accounting principles generally accepted in the United States of America require to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by the Financial Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. Our opinion on the basic financial statements is not affected by the missing information.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2012

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Narrative Profile

Pocono Farms East Association, Inc. is a Homeowners Association formed as a Pennsylvania Domestic Non-Profit Corporation comprised of 1185 properties in the Pocono Farms subdivision of Tobyhanna, Pennsylvania.

Basis of Accounting

The Association's policy is to prepare its financial statements using the accrual basis of accounting whereby revenues are recognized when billed and expenses are recognized when the obligation is incurred. The restricted fund is used to account for road assessments and the related costs.

Cash and Cash Equivalents

The Association considers all highly liquid investments with a maturity of three months or less to be a cash equivalent.

Property and Equipment

Property and equipment costs are capitalized at cost and depreciated over their estimated useful lives using the straight-line method.

Although the Association is responsible for the repair and replacement of common real property, it is unable to sell or otherwise dispose of this property.

Members Dues and Assessments

The Association's policy is to assess interest on any owner's account with a balance that is past due. The past due account continues to accrue interest until the account is paid or written off. The Association's policy is to write off an account upon foreclosure, bankruptcy discharge, or when considered legally uncollectible for other reasons.

Deferred Member Assessments

The annual billing of members' assessments is generated during December of the year prior to the year for which the billing pertains. Deferred member assessments represent assessments collected or credited in advance of the calendar year to which they relate.

The Association's federal income tax returns for 2010, 2011, and 2012 remain open to examination by the Internal Revenue Service. Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period.
